

Electronics Recycling Programs

As of January 1, 2018, covered electronics are banned from the trash. Manufacturers of these electronics (televisions, computers, and [related equipment](#)) are required to collect and recycle or reuse electronic waste. Below are some of the electronics recycling options that are part of the District's electronics stewardship program, [eCYCLE DC](#).

Note that some manufacturer stewardship programs may charge a fee or have limitations on accepted products.

eCYCLE Events

- District residents, small businesses and small nonprofits can recycle covered electronic equipment for free at eCYCLE DC events hosted by a manufacturer group. Event times and locations are posted here: <https://doee.dc.gov/ecycle>.

Transfer Station

- The Department of Public Works runs a free residential electronics recycling program at RFK Stadium Lot 3, 2400 E Capitol St NE. Events take place during specific hours on one Thursday and one Saturday of every month through March 2024.
 - View the schedule at <https://dpw.dc.gov/service/household-hazardous-waste/electronic-recycling/document-shredding-drop-schedule>
 - These events accept *more* than covered electronic equipment: <https://dpw.dc.gov/service/recycling-electronics-rfk-stadium>
