

Manufacturer Collection Requirements Fact Sheet

These requirements begin January 1, 2017 for manufacturers of Covered Electronic Equipment (CEE) that sold 100 or more items of CEE in the District of Columbia in 2015.

All Manufacturers

- When covered electronic equipment is purchased, accept on a one-to-one basis the same type of CEE that was sold.
- Manufacturers shall only dispose of covered electronic equipment at facilities that are e-Stewards or R2 certified.

Manufacturers Registering as an Individual Manufacturer or a Partnership

- Collect 40% of 2015 sales weight.

Manufacturers Registering as a Representative Organization

- Establish one permanent collection site in each ward or, if a permanent site is not feasible in a ward, hold quarterly collection events.
