

Tier 0 Soil Screening Levels

Compound	Tier 0 Screening Level (mg/kg)
Benzene	0.005
Toluene	9.6
Ethylbenzene	0.04
Xylenes	3.86
TPH-GRO	100
TPH-DRO	100

Notes:

mg/kg - milligram per kilogram

TPH- Total petroleum hydrocarbon-gasoline range organics

TPH- Total petroleum hydrocarbon-diesel range organics

If the maximum site concentrations meet these levels, the responsible party (RP) may request case closure. If these standards are not met, a tiered risk evaluation is appropriate.
