## ADDITIONAL EVENTS

This year DCRA is partnering with local green building leaders AIA | DC and the US Green Building Council North Capital Region Chapter to offer additional events as well as continuing education credits for many of the educational sessions.

### **Green Building Tours**

DCRA is partnering with AIA | DC to offer building tours of local green buildings. The tours will take place throughout the coming year. When registering for the Symposium, indicate your interest by checking the registration for these events and we will send additional information.

### **DesignDC Trade Show**

Registered Green Building Symposium attendees are invited to attend the DesignDC Trade Show free of charge on October 1 – 3. The Trade Show opens on October 1 at 4:30 PM and runs through the close of DesignDC on October 3. When registering for the Symposium, indicate your interest by checking the registration for these events and we will send additional information.
