

Plant Nurseries in the Washington, D.C. Region

This list was compiled using the [DC Gardens website](#); visit their website for a complete list of nurseries in the region. The following list is not inclusive of all nurseries in the area and a nursery's inclusion on the list does not indicate endorsement. Not all of the plants sold at these nurseries are native, so be sure to consult your rain garden or BayScaping design and the [U.S. Fish & Wildlife Service Native Plant guide](#) prior to purchasing any plants.
