OAKS PARK
CONSERVANCY**

**Rock Creek Park
Conservancy**

The DC CWMA and partners invite you to participate in invasive plant removal/environmental restoration projects in natural areas and parks within the District in honor and celebration of MLK Jr. Day on January 19th, 2013. Sites within the District include:

NATIONAL ARBORETUM

KINGMAN ISLAND

ROCK CREEK PARK (Dumbarton Oaks Park and other sites)

Activities will take place from 9am –12pm or 10am -2pm. RSVP to Laura.Washington@dc.gov or sign-up online at: <http://ddoe.dc.gov/DC-CWMA>. Include name, contacts and preferred location. For more information on the event contact Laura Washington,

The DC CWMA is a coordinated effort and partnership with District, federal agencies, NGO and others to restore natural habitats and ecosystems and to protect biodiversity by working to eliminate invasive plants in DC through a coordinated effort across political and ecological boundaries For more information on the DC CWMA, members, upcoming events (including trainings) and more information on invasive plant efforts in the District, check out website here: [DC CWMA](http://DC-CWMA)

The DC CWMA is funded by the District of Columbia— Urban Forestry Administration.
