BEPSDC WORKING GROUP

June 25 (4-6pm) Session 1: Financial Resources/Incentives

Open discussion to share your ideas on what financial incentives and offerings are necessary to assist building owners with meeting BEPS requirements.

July 16 (4-6pm) Session 2: Program Structure and Implementation

Focused on the program structure and implementation of BEPS

August 6 (4-6pm) Session 3: Technical Assistance and Training

Focus on technical assistance and training necessary for building owners to comply

September 17 (4-6pm) Session 4: Energy Efficiency Strategies

Focused on proven energy efficiency strategies for building owners to comply

SESSION #1: FINANCING & FINANCIAL INCENTIVES

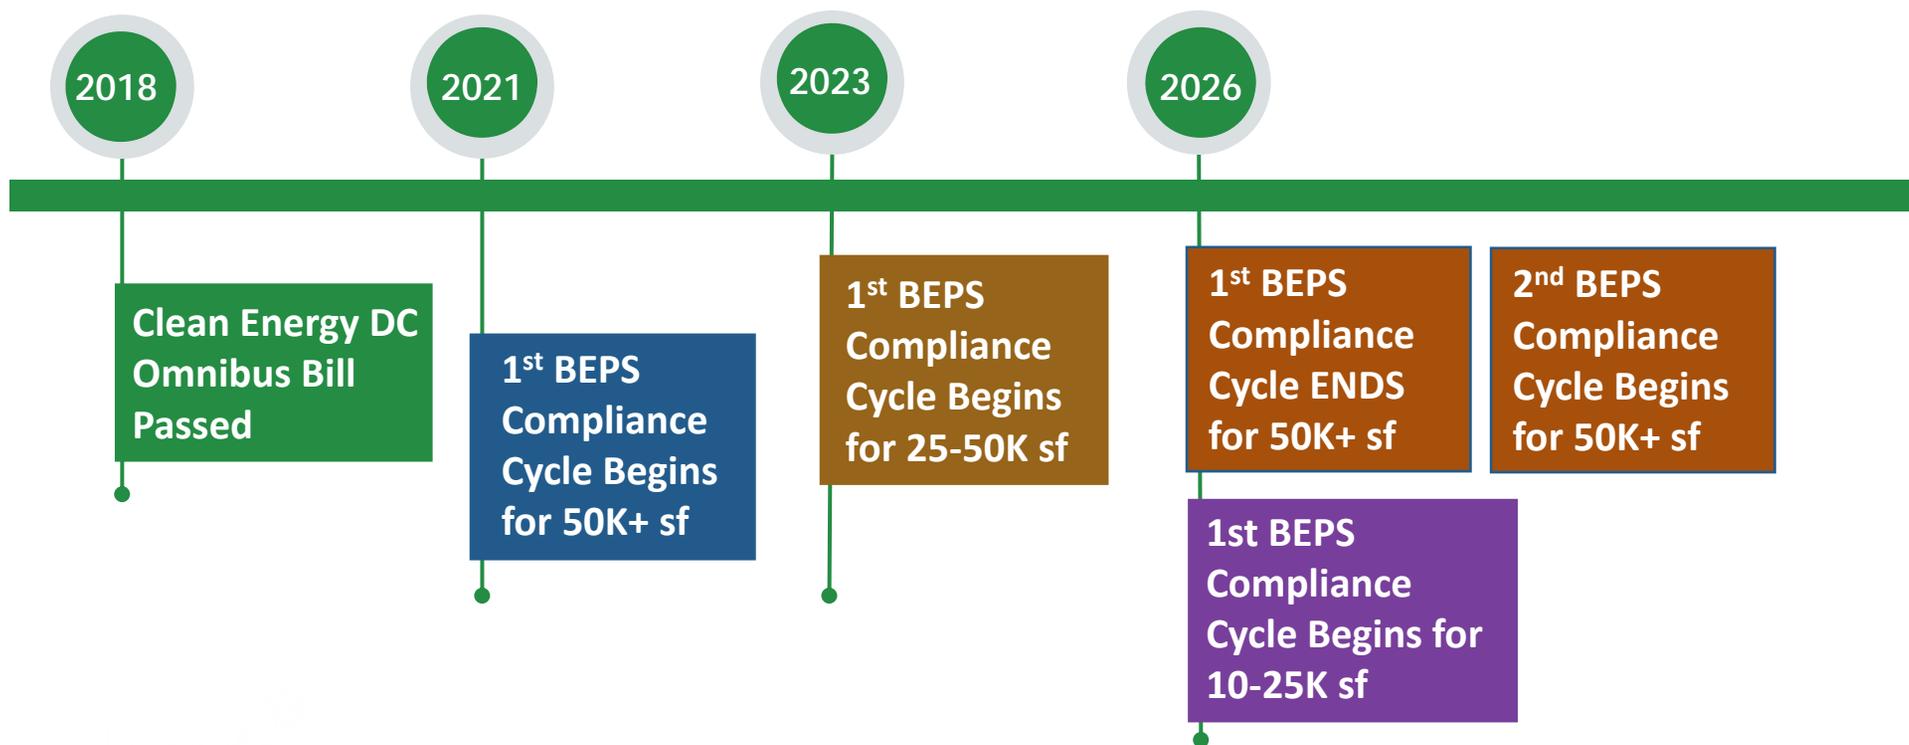

- | | |
|--------------------|---|
| 4:00-4:15 | Networking |
| 4:15 – 4:20 | Welcome and Intro from DOEE |
| 4:20 – 4:40 | Presentations from DCSEU, DC Green Bank, DC PACE |
| 4:45 – 5:40 | Facilitated Discussion Groups |
| 5:45 – 6:00 | Summary and Report Back from Discussion Groups |

BUILDING ENERGY PERFORMANCE STANDARD

- ❑ DOEE must establish a minimum threshold for energy performance – will be “at least” the local median ENERGY STAR score by building type (or equivalent)
- ❑ 5-year compliance cycles - 1st cycle begins 2021
- ❑ Compliance paths for bldgs. below minimum:
 - ❑ Performance: Reduce energy usage 20%
 - ❑ Prescriptive: Implement cost-effective energy efficiency measures
 - ❑ Other as determined by DOEE
- ❑ Create BEPS Task Force for implementation plan, recommend amendments and complementary programs/policies
- ❑ Develop Strategic Energy Management Plan for District-owned bldgs.

BEPSDC COMPLIANCE CYCLES

CLEAN ENERGY DC ACT: NEW PROGRAMS & FUNDING

- Increased revenue & expanded uses for the **Sustainable Energy Trust Fund (SETF)**: \$20-22 million in Fiscal Years 2020-2022
 - \$70 million over 6 years to **DC Green Bank**
 - \$3 million beginning in FY2022 to support **affordable housing compliance with BEPS**
 - 30% of the increase (~\$7million) in SETF to **benefit low-income residents**; support workforce development initiatives and the Sustainable Energy Infrastructure Capacity Building & Pipeline Program
- Allows gas and electric utilities to apply to PSC to offer energy efficiency and demand reduction programs

DISCUSSION GROUP GROUND RULES

- ❑ **Listen actively** – respect others when they are talking and do not talk over each other
- ❑ **Be concise** – watch wordiness and run on statements while explaining thoughts
- ❑ **Challenge ideas** – it is good to ask for clarification or discuss ideas further but do not make questions personal attacks, avoid using “you” and “they”
- ❑ **Speak from personal experience** – use personal experience or stories to convey ideas. Avoid making generalizations
- ❑ **Participate** – make sure people speak when they have a relevant and valuable contribution to make to the discussion
- ❑ **Be aware of body language and nonverbal cues** – physical cues can be just as hurtful as verbal abuse
- ❑ **Speak freely** – but do not speak over each other. Share the floor with other participants, especially those who have been quiet
- ❑ **Things to avoid** – talking too much, lecturing, not giving everyone a chance to speak, side tracking the discussion

DISCUSSION GROUP TOPICS

- ❑ **Financing** – Green Bank, etc.
- ❑ **Rebates & Incentives** – DCSEU, utility company programs, etc.
- ❑ **Non-financial Incentives** – expedited permitting, etc.
- ❑ **Operations & Maintenance** – retroCx, training, etc.
- ❑ **Onsite Renewables** – solar, wind, etc.
