

## Appendix: Act Priorities Addressed by Fund-Supported Activities in FY14

Act Priority/Fund-Supported Activity	Green Infrastructure	Watershed Education	Trash Capture	Stream Restoration	Outreach and Reusable Bag Distribution	Enforcement and Fee Collection	Program Administration
A public education campaign to educate residents, businesses, and tourists about the impact of trash on the District's environmental health		<b>X</b>			<b>X</b>	<b>X</b>	
Providing reusable carryout bags to District residents, with priority distribution to seniors and low-income residents					<b>X</b>		
Purchasing and installing equipment, such as storm drain screens and trash traps, designed to minimize trash pollution that enters waterways through storm drains			<b>X</b>	<b>X</b>			
Creating youth-oriented water resource and water pollution educational campaigns for students at the District public and charter schools		<b>X</b>					
Monitoring and recording pollution indices			<b>X</b>		<b>X</b>	<b>X</b>	
Preserving or enhancing water quality and fishery or wildlife habitat	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>	
Promoting conservation programs, including programs for wildlife and endangered species	<b>X</b>	<b>X</b>			<b>X</b>		
Purchasing and installing signs and equipment designed to minimize trash pollution, including anti-littering signs to be installed in areas where littering would impact the Anacostia River, recycling containers, and covered trash receptacles			<b>X</b>		<b>X</b>		
Restoring and enhancing wetlands and green infrastructure to protect the health of the watershed and restore the aquatic and land resources of its watershed	<b>X</b>	<b>X</b>	<b>X</b>	<b>X</b>			
Funding community cleanup events and other activities that reduce trash, such as increased litter collection		<b>X</b>	<b>X</b>		<b>X</b>		
Funding a circuit rider program with neighboring jurisdictions to focus river and tributary clean-up efforts upstream <sup>1</sup>							
Supporting vocational and job training experiences in environmental and sustainable professions that enhance the health of the watershed		<b>X</b>					
Maintaining a public website that educates District residents on the progress of clean-up efforts							<b>X</b>
Paying for the administration of this program							<b>X</b>

<sup>1</sup> DDOE addresses this priority area through its participation in the Anacostia Watershed Restoration Partnership and the Metropolitan Washington Council of Governments Regional Water Quality Management Program. Likewise, many local watershed groups (e.g. The Anacostia Watershed Society and Anacostia RiverKeeper) are already advocating for circuit rider initiatives throughout the region.
