

GOVERNMENT OF THE DISTRICT OF COLUMBIA

District Department of the Environment

Lead and Healthy Housing Division
2011 National Lead Star Award Winner
Pierre Erville, Associate Director

August 27, 2012

Dear Lead Professional:

The attached form seeks your consent to be listed on the District Department of the Environment (DDOE) website, as an individual who is certified by DDOE to conduct lead-based paint activities in the District of Columbia, whether as a lead-based paint inspector, a risk assessor, a project designer, an abatement worker or an abatement supervisor. By giving DDOE permission to add you to our list, you will enable people searching for a certified person to find you when they look at our website. Note that being on this list does not represent an endorsement by DDOE of your work, but rather simply provides a listing of those who have been certified by this office to perform lead-based paint activities.

We would like you to provide the following: First Name, Middle Initial, Last Name, City, State, Phone Number, and/or Email Address, and Individual Certification and Expiration Date. If you want to be listed on DDOE's website, please add your information on the attached Consent Form, and return it by email, fax, US mail or hand delivery, to:

Mrs. Amber A. Sturdivant
District Department of the Environment
Lead and Healthy Housing Division
1200 First Street, NE 5th Floor
Washington, DC 20002

Email: amber.sturdivant@dc.gov

Fax: 202-481-3770

The list will be posted and updated monthly, beginning October 1, 2012. It will be your responsibility to notify this office of any changes in your contact information, so that DDOE can update the list as appropriate. Only certified individuals will be listed on the website; therefore, once a certification expires, DDOE will remove it from the list during the next update.

Thank you for your assistance with this endeavor, as DDOE continues to try to serve you and the District in the best way possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Pierre Erville".

Pierre Erville
Associate Director for Lead and Healthy Housing
