

# **NEW FEE NOTICE**

## **(FLOOD ZONE DETERMINATION FOR SUBDIVISION APPLICATION)**

The District Department of the Environment (DDOE) charges a **\$100 fee for Flood Zone or Flood Hazard Area Determination** on any subdivision application, pursuant to the revised Flood Hazard Rules (20 DCMR 3113), effective September 24, 2010.

The Flood Zone Determination and other floodplain related review and approval fees were included in the Notice of Emergency and Proposed Rulemaking, and the Notice of Final Rulemaking published in the D.C. Register on September 24, 2010 and November 19, 2010, respectively.

DDOE collects and verifies all fees for flood zone determination, review, and approval before the requested data or services are provided.

For more information and to obtain a Fee Calculation Form, contact DDOE at (202) 535-2977 or visit DDOE's desk at the Department of Consumer and Regulatory Affairs (DCRA) Permit Service Center.
