Appendix 4—Key Meetings in the Development of the WAP

Key meetings

- I. Foundation meeting in Nebraska
- II. Meeting with National Heritage Program (NHP)
- III. Internal meetings of DC Fisheries and Wildlife
- IV. Working Group meetings—federal and non-governmental partners
- V. Geographic Information Systems (GIS) Mapping Meetings
- VI. Public review meetings
- VII. Mid-Atlantic and New England Bird Conservation Workshop

Key Meetings

1) Foundation meeting in Nebraska

Nov. 2004

- o Coordination among CWCS coordinators and partner agencies and organizations
- o Approach
- o Advice and ideas

2) Meeting with National Heritage Program (NHP)

Sep. 16, 2004

- o Obtained list of species occurring in DC which would serve as a base for our Master List

December 14, 2004

- o Created consistency in format with MD Department of Natural Resources

3) Internal meetings of DC Fisheries and Wildlife

a) August 11, 2004

- o Updated Fisheries and Wildlife staff on the foundation meeting in Nebraska & next steps

b) August 17, 2004

c) August 31, 2004

- o Discussed grant writing
- o Discussed the possibility of hiring a contractor
- o Discussed updating the District's information on the Teaming With Wildlife website

d) September 7, 2004

- o Discussed the status of writing grant
- o Identified staff, costs, partners

e) October 20, 2004

- o Identified partners and planned Working Group meeting
- o Developed timetable for major drafts & completion
- o Developed timetable for meeting with NGOs

f) December 15, 2004

- o Planned next Working Group meeting

- o Review Master species list & species of greatest conservation need list
 - g) Jan. 14, 2005
 - o Developed format for fact sheets
 - o Revised list of species of greatest conservation need
 - o Revised outline
 - o Set agenda for the Working Group meeting
 - h) May 11, 2005
 - o Discussed public involvement strategies
 - i) May 19, 2005
 - o Delegated responsibilities internally
 - o Planned the next Working Group meeting
 - j) June 8, 2005
 - o Reviewed drafts from other states in order to create consistency
 - k) July 6, 2005
 - o Reviewed draft, identified gaps, and delegated tasks
 - o Reviewed format of fact sheets for species and habitats
 - l) July 18, 2005
 - o Discussed creating a summary habitat chart
 - o Discussed monitoring, review and revision chapters
 - m) July 20, 2005
 - o Discussed monitoring, review and revision chapters
 - n) July 27, 2005
 - o Organized first public review meeting
- 4) Working Group meetings—federal and non-governmental partners**
 - a) Oct. 12, 2004
 - o Described CWCS to federal partners
 - o Discussed species selection criteria and prioritization process
 - b) Nov. 2, 2004
 - o Developed process for creating Master List
 - o Developed species selection criteria and prioritization process
 - c) Nov. 30, 2004
 - o Revised list of species in greatest conservation need
 - d) Jan. 11, 2005
 - o Discussed IAFWA involvement
 - o Divided species of greatest conservation need into habitats
 - o Identified the Smithsonian Institution as a potential partner
 - o Reviewed drafts of other states to assure consistency
 - e) Feb. 8, 2005
 - o Discussed fact sheets
 - o Discussed GIS maps
 - f) March 1, 2005
 - o Identified the Nature Conservancy, the National Arboretum, and Defenders of Wildlife as new partners
 - o Identified habitat types and locations
 - g) March 22, 2005

- o Discussed NAAT requirements
 - o Discussed format of listing threats
- h) April 5, 2005
 - o Reviewed threat charts
- i) April 19, 2005
 - o Reviewed threat charts
- j) May 3, 2005
 - o Brainstormed existing conservation actions
- k) May 17, 2005
 - o Reviewed threat charts
 - o Brainstormed existing conservation actions
- l) May 31, 2005
 - o Reviewed summary threat charts
- m) June 14, 2005
 - o Brainstormed existing conservation actions
 - o Brainstormed potential new conservation actions
- n) June 28, 2005
 - o Discussed how to select and prioritize threats
- o) July 12, 2005
 - o Discussed how to select and prioritize threats
 - o Delegated tasks regarding exploring existing conservation actions
- p) July 26, 2005
 - o Reviewed GIS maps
 - o Discussed the first public review meeting
 - o Revisited species list
- q) August 23, 2005
 - o Discussed existing conservation actions
- r) September 6, 2005
 - o Discussed status and trend of species of greatest conservation need
 - o Reviewed species fact sheets

5) Geographic Information Systems (GIS) Mapping Meetings

6) Public review meetings

- a) July 30, 2005
 - o Described the CWCS to the public
 - o Solicited comments on the species list and conservation actions
- b) August 31, 2005
 - o Described the CWCS to the public
 - o Solicited comments on the species list and conservation actions

7) Mid-Atlantic & New England Bird Conservation Workshop

- a) Dec. 7-9, 2004
 - o Met with CWCS Coordinator of IAFWA
 - o Met CWCS writers from other states in the region
 - o Coordinated regional effort
