Clean Water Construction

Request for Project and Partner Applications (RFA) Fiscal Year 2020
Dates to Remember

Application deadline May 13, 2019, 4:30 p.m.

Mid May 2019*: review committees will review and score applications. Projects are placed on their applicable project priority listing (PPL)

June 2019*: DOEE posts PPLs for public comment and holds public hearing before submitting to EPA for approval

July 2019*: PPLs approved by EPA

April/May 2020*: DOEE selects projects to include in application to EPA

September 2020*: DOEE receives award from EPA for funded projects

*Upcoming dates are estimations

SCORING CRITERIA

Minimum Requirements

- Project must include a construction phase
- Completion within three years (five for sewage projects)
- Identification of non-federal matching funds (at least 45%)
- Proof of permission from property owner
- (Voluntary) - funded elements of project cannot be required by regulated stormwater management plans
- Maintenance plan

Green & Grey

- Project feasibility (30%)
- Cost effectiveness (25%)
- NPDES permit category (20%)
- District environmental initiatives (15%)
- Innovation and transferability (10%)

Sewage

- Project feasibility (40%)
- Cost effectiveness (15%)
- Project scope (35%)
- Innovation and transferability (10%)
APPLICATION CONTENT

Cover Sheet (Appendix 3)

1-2 Paragraph Project Summary

Detailed Project Description
- Site characteristics, including sewershed and targeted subwatershed
- Estimate outputs (i.e. DOEE stormwater calculator, green job creation, linear feet of stream restoration, etc.)
- Budget with narrative
- Project scoring criteria

Applicant and Project Partners
- Past performance
- Key personnel
- Partnerships
APPENDIX ONE: GENERAL TERMS AND CONDITIONS

Apply AFTER DOEE awards the grant

Most requirements affect project administration, project budget, and project contracts - Examples:

- Payment (including how to document expenditures)
- Contracting and subcontracting
- Audit requirement of 2 CFR 200 Subpart F
- Insurance Requirements
- Procedure for initiating grant amendments
APPENDIX SIX: FEDERAL REQUIREMENTS FOR FUNDED PROJECTS

- Disadvantaged Business Enterprise (DBE) Outreach
- Davis-Bacon Act
- 100% Performance and Payment Bonds Provided by Contractor
- Required Postings
PAYMENT

**District Agency: MOU with Funding Transfer**
- MOU with Funding Transfer

**Non-Governmental Organizations:**
- Reimbursed completed work
- Advance payment request (in limited circumstances)

**DC Water:**
- Award from EPA
