

## Appendix 5 – Points for Local Entities

(Revised 02/10/17)

For qualifying local District business or nonprofit entities, DOEE will award additional points to an application's total point score, as specified in the Request for Applications. To receive these additional points, the applicant must complete this Appendix 5 and submit any required documentation.

Please check the applicable box:

- For a District nonprofit entity, I certify that at the time of submission of this application, I meet the following requirements:
- (1) The principal office of the entity is located in the District of Columbia; and
  - (2) The chief executive officer and the highest level managerial employees of the entity must perform their managerial functions in their principal office located in the District.
- For a District business entity, I certify that at the time of submission of this application, I am certified as a Local Business Enterprise by the Department of Small and Local Business Development. Proof of my Local Business Enterprise certification is attached.

I intend DOEE to rely upon this representation, and I understand that the making of a false certification can result in the termination of this grant, and that the willful making of a false certification is punishable by criminal penalties, pursuant to D.C. Official Code § 22-2405.
