INSURANCE

- A. **GENERAL REQUIREMENTS.** The Grantee at its sole expense shall procure and maintain, during the entire period of performance under this grant, the types of insurance specified below. The Grantee shall have its insurance broker or insurance company submit a Certificate of Insurance to DOEE giving evidence of the required coverage prior to commencing performance under this grant. In no event shall any work be performed until the required Certificates of Insurance signed by an authorized representative of the insurer(s) have been provided to, and accepted by, DOEE. All insurance shall be written with financially responsible companies authorized to do business in the District of Columbia or in the jurisdiction where the work is to be performed and have an A.M. Best Company rating of A- / VII or higher. Should the Grantee decide to engage a subgrantee, contractor, subcontractor or subrecipient (a “subrecipient”) for segments of the work under this grant and wish to propose different insurance requirements than outlined below, then, prior to commencement of work by the subrecipient, the Grantee shall submit in writing the name and brief description of work to be performed by the subrecipient on the Subcontractor Insurance Requirement Template provided by DOEE, to the Office of Risk Management (ORM). ORM will determine the insurance requirements applicable to the subrecipient and promptly deliver such requirements in writing to the Grantee and DOEE. The Grantee must provide proof of the subrecipient’s required insurance prior to commencement of work by the subrecipient. If the Grantee decides to engage a subrecipient without requesting from ORM specific insurance requirements for the subrecipient, such subrecipient shall have the same insurance requirements as the Grantee.

General liability, commercial auto, workers' compensation and property insurance policies (if applicable to this agreement) shall contain a waiver of subrogation provision in favor of the Government of the District of Columbia.

The Government of the District of Columbia shall be included in all policies required hereunder to be maintained by the Grantee and its subrecipient (except for workers’ compensation and professional liability insurance) as an additional insureds for claims against The Government of the District of Columbia relating to this grant, with the understanding that any affirmative obligation imposed upon the insured Grantee or its subrecipients (including without limitation the liability to pay premiums) shall be the sole obligation of the Grantee or its subrecipients, and not the additional insured. The additional insured status under the Grantee’s and its subrecipients’ Commercial General Liability insurance policies shall be effected using the ISO Additional Insured Endorsement form CG 20 10 11 85 (or CG 20 10 07 04 **and** CG 20 37 07 04) or such other endorsement or combination of endorsements providing coverage at least as broad and approved by the GA in writing. All of the Grantee’s and its subrecipients’ liability policies (except for workers’ compensation and professional liability insurance) shall be endorsed using ISO form CG 20 01 04 13 or its equivalent so as to indicate that such policies provide primary coverage (without any right of contribution by any other

insurance, reinsurance or self-insurance, including any deductible or retention, maintained by an Additional Insured) for all claims against the additional insured arising out of the performance of this Statement of Work by the Grantee or its subrecipients, or anyone for whom the Grantee or its subrecipients may be liable. These policies shall include a separation of insureds clause applicable to the additional insured.

If the Grantee and/or its subrecipients maintain broader coverage and/or higher limits than the minimums shown below, the District requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Grantee and subrecipients.
