

Appendix 7

Initial Project Feasibility Review for Community Stormwater Solutions Grant Proposals at District of Columbia Department of Parks and Recreation Sites

Complete this form for any project that will physically alter a Department of Parks and Recreation (DPR) site. Commonly, these projects include litter cleanups, invasive species removal, and native plantings.

Instructions: Complete this form and send by email to DPR staff listed below. DPR will review the project's scope and determine its feasibility in terms of planned projects at the DPR site where you are proposing to do work. **Expect a TEN (10) business day turnaround time, so plan accordingly!**
