

## Questions and Answers

Building Community Capacity to Reduce Housing-Related  
Disparities in Childhood Lead Exposure and Asthma  
(Short name: Lead-Safe and Healthy Housing for DC Kids)  
Request of Applications (RFA) # 2020-2016-LSHHD

**Q1.** Will DOEE waive the requirement to submit five hard copies of the application?

**A1.** Yes, see Section 2.3 and Section 3 of the RFA for more information.

**Q2.** The RFA states that \$106,000 is available for multiple grants. However, Section 1.5 of the RFA states the amount of amount available is \$62,000. Which amount is correct?

**A2.** The total amount of funding available is \$106,000. DOEE may award multiple grants.

**Q3.** Does the RFA require Applicants to propose all activities listed in Section 7?

**A3.** No. Section 7 of the RFA provides examples of the types of activities that could be proposed.

**Q4.** Does DOEE allow Applicants to propose other types of activities not listed in the RFA?

**A4.** Yes.

**Q5.** Will Grantee(s) receive additional funding after the grant period ends on September 29, 2020?

**A5.** This is no guarantee of additional funding after the grant period ends on September 29, 2020. However, under Section 7 of the RFA, DOEE can extend the project period and provide additional funding, depending upon the performance of the grantee and the availability of funds.

**Q6.** Is DOEE planning to convene an external review panel to evaluate and score applications?

**A6.** DOEE anticipates the review panel will include employees of the Government of the District of Columbia.

**Q7.** How long will it take after for DOEE to award the grant(s) under this RFA?

**A7.** DOEE anticipates the award process will take four to six weeks following the close of the application period on April 6, 2020 at 4:30 p.m.

**Q8.** Will DOEE allow the purchase of food using grant funds, for example, during meetings with community stakeholders?

**A8.** No.
