

## **Questions and Answers**

### **Project Management - Environmental Justice Government to Government Grant**

RFA - FY23-AQD-812

### **Indoor Air Quality Monitoring Research - Environmental Justice Government to Government Grant**

RFA-FY23-AQD-813

### **Outreach and Education - Environmental Justice Government to Government Grant**

RFA-FY23-AQD-814

**Q1:** If organizations apply as a team, is it possible that DOEE would select one partner's proposal for one RFP, but not its companion partners in the other related RFPs? e.g., Is there a scenario where DOEE would "mix and match" different partners not initially proposed together – when submitting its application to the EPA?

**A1:** Applicants are encouraged to apply jointly, but DOEE does reserve the right to mix and match.
