

Clean Water Construction Signage Requirements

Sponsor Sign

Placement

- Located in a conspicuous, publicly visible area
- Sufficient size to be easily viewed from the public area

Content

- Project title
- EPA logo
- DOEE logo
- DC government logo
- Contains “Pollution Control Project” in the banner
- Sources and amounts of funding (unless sign will be used at more than one site)

DOEE will provide the EPA, DOEE, and DC government logos. **Clean Water Construction staff must approve signage prior to publication.**

Labor Signage (wage determination & EEOC Poster)

Placement

- Located in an area frequented and easily accessed by the construction crew
- Protected from elements, i.e. laminated or placed in plastic sheeting
- Highlight work classifications applicable to the project
