Dates: April 22-24, 2014

Tuesday, April 22, 2014-AM & PM CE Classes

Wednesday, April 23, 2014-Stakeholder Meeting

Thursday, April 24, 2014-State and EPA Meeting

Hosted by VA Dept of Health

You are invited to the 3rd Annual Region 3 Radon Stakeholders' Meeting on Wednesday, April 23, 2014 held at the Fredericksburg Hospitality House in Fredericksburg Virginia. The meeting is being held at no cost and is intended to bring together interested parties concerned with protecting the public from unnecessary exposure of radon in homes, schools, public and private buildings.

The Stakeholders' meeting is being hosted by Virginia Department of Health, in collaboration with the Region 3 office of the U.S. Environmental Protection Agency, Pennsylvania Department of Environmental Protection, Delaware Department of Health and Social Services, West Virginia Department of Health and Human Resources and the District of Columbia Department of the Environment. The hope is to bring interested stakeholders together to discuss common issues and understand them from other perspectives, provide insight into the future, share, educate and network. We believe that meetings such as this will better provide all of us with ways to assist the public and reduce radon exposures.

In addition to the general meeting, we have organized an opportunity for continuing education credits (focused on Radon Resistant New Construction) through two-4 hour CE courses scheduled for Tuesday, April 22, 2014. More information on the courses will follow.

We anticipate a very informative agenda and hope to see many of you in Fredericksburg. More specific details will follow posted on RLSL and individual states web sites.
