

Benning Park Community Meeting

Please join the Department of Parks and Recreation (DPR) and the Department of Energy & Environment (DOEE) for a community meeting to discuss a new environmental restoration project for the park that will reduce stormwater pollution and enhance wildlife habitat, as well as hear about the potential for a new soccer mini-pitch on the site, in partnership with the US Soccer Foundation. Come learn about both projects and share your thoughts. All are welcome! If you need special accommodations, please contact Nick Kushner at nick.kushner@dc.gov.

Monday, June 24th
