

LEAD PIPE REPLACEMENT ASSISTANCE PROGRAM

The Lead Pipe Replacement Assistance Program (LPRAP) provides relief for DC residents that have lead or galvanized pipes on their private property and non-lead pipes in the public space.

LPRAP consists of 3 tiers of assistance that are determined based on income guidelines:

TIER 1	100% of costs*
TIER 2	80% of first \$2,000 of cost, plus 100% of cost over \$2,000*
TIER 3	50% of cost, not to exceed \$2,500

*Subject to a reasonable cap

Income Guidelines for FY21

(beginning October 1, 2020)

Below are the income limits for each assistance level by household size:

Household Size	Assistance Level 1 (80% AMI)	Assistance Level 2 (100% AMI)	Assistance Level 3
1	\$70,600	\$88,200	No Income Limit
2	\$80,650	\$100,800	
3	\$90,750	\$113,400	
4	\$100,800	\$126,000	
5	\$110,900	\$126,000*	
6	\$121,000	\$126,000*	
7	\$126,000*	\$126,000*	
8	\$126,000*	\$126,000*	

*Figures are capped by the Budget Support Act

How do I determine if I am eligible?

1. Go to dcwater.com/leadmap and search for your address in the Service Line Map.
2. If your private side pipes are lead or galvanized but the public space pipes are not, shown on the map with this half green and half gray circle you are eligible for this program.

How do I apply?

You can apply online, by email, or through the mail:

- Apply online at: doee.dc.gov/service/leadlinereplacement
- Email your application and documentation to leadline.replacement@dc.gov
- Mail your application and documentation to:
District Department of Energy & Environment
Attn: Lead Pipe Replacement Assistance Program
1200 First Street NE, 5th Floor
Washington, DC 20002

What documents do I need to apply?

- Household's most recent DC Water bill;
- Property owner's photo identification;
- Proof of property ownership; and
- Proof of income for each member of the household (if seeking approval for the Assistance Levels 1 or 2).

What are the next steps in the process?

1. After a Homeowner submits an application with the required documentation, the DOEE will process the application and determine the assistance level.
2. The DOEE will then notify the Homeowner of the level of assistance they qualify for and send the applicant DC Water's Contractor List.
3. The Homeowner will choose a Contractor from the Contractor List to perform the replacement.
4. The chosen Contractor will then submit a Cost Proposal, with the Homeowner's signature, to DC Water for review.
5. Once DC Water recommends approval for the Cost Proposal, the DOEE will send the Homeowner a Benefit Confirmation Letter detailing next steps.
