

GRID ALTERNATIVES

Do something great for your family.

Go solar with us and save up to 90% on your energy bills!

GRID Alternatives is the only no-cost, non-profit solar provider.

Going solar with GRID will save you 50-90% on your electric bills. There's no catch, no hidden costs, no credit reports, and no surprises - because GRID is a non-profit community organization that connects families with government programs that allow GRID to provide solar at no cost to eligible homeowners. **We pay for your solar system!**

How it works:

- 1 Apply now!**
GRID will confirm that you qualify.
- 2 Site visit**
We'll answer your questions and make sure you're ready to go solar.
- 3 Sign the contract**
We do all the paperwork to save you the most money.
- 4 Install!**
We install your system and show you how to turn it on.
- 5 After installation**
Your system is inspected, and you get your warranties.

Why choose GRID?

- Saves you money by reducing the amount of electricity you pay for
- Protects you from rising energy costs
- Produces safe, clean energy that's healthier for your family and your community
- Reliable for over 30 years with almost no maintenance
- **Provides community job training opportunities**

See how much you can save.

Vicki McGill, Washington DC

"My bills in the summer would normally be between \$70 to \$80 a month. Now, they are normally down to \$0 to \$15 a month! My experience getting solar with GRID was great. Definitely check GRID Alternatives out...they are not just 'salespeople' and they will always give you the facts."

75% usage reduction
