WATTS BRANCH FLOOD RESILIENCE STRATEGY

Public Open House Workshop

When: Saturday March 1
11:00am-2:00pm

Where: The Riverside Center
5200 Foote St NE
Washington, DC 20019

Come learn about existing and future flooding impacts in the area and solutions to reduce flooding:

- Propose and learn about possible solutions to reduce flooding impact
- Provide feedback to inform the Watts Branch Flood Resilience Strategy
- Your feedback will help shape the plan!

All are welcome to drop by at any point during this event

Food and beverages will be provided

Kids table will be set up so feel free to bring them!

Register Here:

Registration suggested but not required to attend
