# Nonregistered Manufacturers List

Retailers may sell or offer for sale new covered electronic equipment (CEE) in the District only if:

(1) the equipment is labeled with a readily visible brand identifying the manufacturer, and
(2) the manufacturer has registered with the Department of Energy & Environment (DOEE); or
(3) the manufacturer is exempted from these requirements.

Please visit this webpage to view the current list of registered or exempt manufacturers and brands.
DOEE has identified the manufacturers listed below whose CEE is being sold in the District even though the manufacturers are not registered with DOEE or exempt from registration. Retailers may not sell their CEE, nor CEE from any other manufacturer that is not listed on this webpage.
